**About this Map**

The Niagara Region Cycling Map 2<sup>nd</sup> Edition was produced by the Regional Niagara Cycling Committee (RNBC) and the Niagara Region GIS Unit. The RNBC is a volunteer advisory arm of the Regional Municipality of Niagara dedicated to the promotion of safe bicycling. The objective of this map is to provide the recreational, touring or utilitarian bicyclist with the best possible information on routes and local road conditions throughout the region. This 2<sup>nd</sup> edition is the most comprehensive regional touring map of Niagara, and it is our goal to make it better in subsequent editions. If you have comments or questions, feel free to e-mail us at: [info@rnbc.info](mailto:info@rnbc.info)
