

REGIONAL NIAGARA
ARTERIAL ROAD SYSTEMS PLAN / BIKEWAYS MASTER PLAN

NOTICE OF JOINT PUBLIC OPEN HOUSE
Thursday, June 27, 2002

The Region of Niagara is concurrently undertaking an Arterial Road Systems Plan (ARSP) and a Bikeways Master Plan Study (BMPS) in order to develop long-term plans that will address the future expansion requirements of the arterial road network and also guide the implementation of a system of bikeways in the Region of Niagara. The ARSP and BMPS are both part of a multi-faceted effort to develop a comprehensive Regional Transportation Strategy. Your input will be integral to the success of both studies.

This is the second formal public meeting for both studies. The purpose of the Open House is to provide you with an opportunity to review and comment on the progress and key findings to date for both the Arterial Road Systems Plan (roadway expansion requirements, desirable rights-of-way standards, proposed truck routing plan) and the Bikeways Master Plan Study (draft bikeways network, tourism market assessment results).

You are invited to the Public Open House which will be held as follows:

Date: June 27, 2002
Time: 7:00 p.m. – 9:00 p.m.
Location: Four Points Sheraton Hotel – Brock Room
3530 Schmon Parkway, Thorold

The Open House will be in the format of a drop-in session with a formal presentation between 7:30 p.m. and 8:00 p.m. Sign-in sheets and comment sheets will be available. If you require additional information or would like to provide a written submission outlining relevant arterial road/cycling issues, please contact one of the following:

Mr. Dale Turvey, P.Eng.
ARSP Project Manager
McCormick Rankin Corporation
